EXPERIENCE

General Surgery Resident, Taj Hospital, Karachi (Aug'24 – Aug'25)

- Served as an FCPS (Fellowship of College of Physicians and Surgeons) Part I qualified resident in General Surgery
- Assisted in a wide range of elective and emergency surgical procedures under consultant supervision, including trauma and musculoskeletal injury management
- Performed comprehensive pre- and post-operative assessments, formulated treatment plans, and monitored patient recovery
- Managed acute surgical and trauma emergencies, including fracture stabilization, soft tissue injury care, and resuscitation
- Independently performed minor surgical procedures such as suturing, incision and drainage, excision biopsies, and wound management
- Handled on-call emergency duties and participated in daily OPD activities, conducting patient evaluations, follow-ups, and dressing changes
- Collaborated with consultants, anesthetists, nursing staff, and other healthcare professionals to ensure coordinated perioperative care
- Reviewed and interpreted diagnostic tests and imaging to support surgical diagnosis and operative planning
- Actively participated in surgical rounds, case discussions, journal clubs, and skill development workshops to enhance operative proficiency and clinical judgment

Casualty Medical Officer – ER Baqai Medical University Hospital (Sep'23 – Dec'23)

- Worked as a medical house officer in both surgery and medicine departments
- Provide immediate and comprehensive medical care to patients presenting with acute, life-threatening conditions or injuries in the emergency room
- Rapidly assess patients, make quick and accurate diagnoses, and initiate appropriate treatment plans, including ordering necessary tests and medications
- Stabilize critical patients, manage emergencies, and make decisions on the need for hospital admission or transfer to a specialized unit
- Collaborate with the multidisciplinary team, including nurses, paramedics, and other healthcare professionals, to ensure seamless and coordinated patient care
- Maintain accurate and detailed medical records, documenting patient histories, examinations, diagnoses, and treatments provided
- Stay up-to-date with the latest medical practices, protocols, and technologies in emergency medicine, and participate in ongoing training and professional development activities

**House Officer - Sindh Employees Social Security Institution (SESSI) Hospital
(Aug'22 – Aug'23)**

*6 months Surgery (General Surgery and Orthopaedic Surgery)
