PROFILE

As a dedicated and skilled medical professional, I bring a strong foundation in emergency care and a passion for critical medicine. I have honed my expertise through rotations in General Surgery, Anesthesia & SICU, General Medicine, and Accident & Emergency. Proficient in managing a wide range of cases, from routine OPD consultations to high-stakes emergency situations. I possess excellent clinical and communication skills, with a strong commitment to delivering exceptional patient care. I am eager to further my expertise and contribute to the advancement of critical care.
