Personal Statement

I am a dedicated health care professional with a strong foundation in internal medicine, developed through couple of years of rigorous training as House Officer at Liaquat University Of Medical & Health Sciences, Hyderabad—a dynamic and demanding tertiary care setting .

Currently, I am working as Medical Officer in the Emergency Department at Secondary Hospital, Mirpurkhas. This role has helped me grow in acute care, enhanced my clinical decision making, and strengthened my ability to work effectively in time sensitive situations, while maintaining empathy and clear communication with patients and families.

I am keen to continue building on these experiences and further develop my knowledge and skills. I look forward to opportunities that will support my ongoing growth as a Health Professionalist, dedicated to providing safe, timely, and high quality care.
