Objective

I aspire to become an Oral and Maxillofacial Surgeon. Main objective is to provide excellent dental care and to implement the clinical knowledge bestowed upon me in all the academic as well as professional years that I have gone through in the clinical and hospital settings that I have previously worked in.

Experience

- **Dr. Hassan Mirza Dental Surgery** 26-03-2025 - Present
General Dentist
Learning some required and acclaimed clinical skills that will help me hone my skills in future practice.
- **Sindh Institute of Oral Health Sciences** September 1, 2023 - August 31, 2024
House Officer
As a house officer,
Supervised undergraduate dental students in the OPD setting.
Provided comprehensive dental care under instructor supervision for both adults children .
Administered anesthesia in patients.
Performed surgical and non surgical extractions. Placed and removed sutures intraorally.
Placed fillings in decayed teeth.
Performed both manual and ultrasonic scaling and polishing.
Designed and fabricated RPDs and CDs, did crown preps on RCT treated teeth.

Education

- **Sindh Institute of Oral Health Sciences, JSMU** 2023
Bachelor in Dental Surgery
3.7 GPA
- **Army Public School and College, Saddar** 2018
FSC Pre Medical
A+
