PROFESSIONAL SUMMARY:

Motivated and diligent medical professional with an MBBS degree and two years of FCPS training in General Surgery. Experienced in managing surgical and emergency cases with strong skills in pre-, intra-, and post-operative care. Demonstrated proficiency in teamwork, patient communication, and evidence-based clinical practice. Passionate about pursuing further sub specialization in Surgery and Allied, with a focus on continued professional growth and contribution to patient-centered surgical care.

CLINICAL EXPERIENCE:

Postgraduate Training | 2 Years – General Surgery

Civil Hospital Khairpur | Jan 2023 – Jan 2025

- Completed two years of structured FCPS training in General Surgery under CPSP guidelines.
- Assisted and performed a wide range of surgical procedures including appendectomies, cholecystectomies, hernia repairs, exploratory laparotomies, and perianal surgeries (such as fistulotomy, fissurectomy, and hemorrhoidectomy).
- Participated in minor local procedures including abscess drainage, excision of cysts, and wound debridement.
- Managed pre-, intra-, and post-operative patient care in coordination with multidisciplinary teams.
- Involved in trauma management, emergency surgeries, and ward rounds.
- Attended departmental teaching sessions, surgical skills workshops, and morbidity meetings.

Clinical Rotation in Plastic Surgery at Liaquat National Hospital, Karachi

Clinical Attachment in Plastic Surgery – Aga Khan University Hospital, Karachi | May – June 2025

- Observed and assisted in reconstructive and aesthetic surgeries.
- Gained experience in managing burns, facial trauma, and congenital deformities.
- Participated in wound care, skin grafting, and microsurgical cases.
- Assisted in patient consultations, postoperative care, and academic presentations.

Lecturer – UMDC (United Medical and Dental College Karachi) - Department of Forensic Medicine | Feb 2022 – Jan 2023

- Taught undergraduate medical students the core concepts of forensic medicine and medical jurisprudence.
- Delivered lectures, supervised practical sessions, and guided students in medico-legal case discussions.
- Assisted in curriculum development and examination preparation for forensic modules.
