ABOUT ME

Passionate and precision-driven dental professional dedicated to creating healthy, confident smiles through compassionate care and clinical excellence. Skilled across all major dental disciplines with a keen eye for detail, patient comfort, and continuous professional growth.

WORK EXPERIENCE

Private Clinic Shahpur Chakar, Pakistan

General dentist

10/2024 – Current

- Performed comprehensive oral examinations, diagnosis, and treatment planning for diverse patient cases.
- Carried out restorative procedures including composite fillings, crown preparations, and aesthetic restorations.
- Executed extractions, scaling and root planing, and minor oral surgical procedures independently.
- Managed endodontic cases including single and multiple root canal treatments.
- Assisted in prosthodontic rehabilitation — fabrication of removable and fixed partial dentures.

Civil Hospital Hyderabad Hyderabad, Pakistan

Internship

01/10/2023 – 30/06/2024

During my posting in the Department of Oral and Maxillofacial Surgery, I had the opportunity to observe and assist in various minor and major surgical procedures. This rotation helped me bridge the gap between theoretical knowledge and practical surgical experience.

Clinical Work and Procedures Observed / Assisted

- Minor surgical procedures:
- Extraction of impacted third molars.
- Incision and drainage of space infections.
- Biopsy procedures.
- Management of cysts and tumors of the jaws.
- Emergency management.
- Initial management of facial trauma and control of hemorrhage.
- Assessment of maxillofacial injuries and their stabilization.

Housejob

21/09/2022 – 20/09/2023

1. Patient Care: Provided direct patient care under senior medical staff guidance. Conducted assessments, administered medications, and documented progress accurately.
2. Procedures: Demonstrated expertise in diverse dental procedures including restorative dentistry, root canals, extractions, crown preparation, and prosthesis fabrication.
3. Medical Records: Maintained precise patient records, including notes, test results, and treatment plans, adhering to standards and confidentiality.

Civil Hospital Mirpurkhas Mirpurkhas, Pakistan

Internship

10/02/2022 – 20/05/2022

During my internship, I gained valuable insights by participating in various dental procedures. I observed teeth cleanings, fillings, extractions, and root canals, witnessing the precision and skill required for each. This experience deepened my understanding.
