Home: B 14, Indus Housing Society, near Session Court, Jamshoro, 76080 Jamshoro (Pakistan)

ABOUT ME

I am a dedicated dentist and researcher who uniquely integrates clinical excellence with academic inquiry. My professional focus lies in integrating clinical precision with evidence-based research to enhance patient outcomes and advance dental science. With a vision to bridge clinical practice, innovation, and international collaboration, I strive to contribute transformative research that supports the evolution of modern dentistry and global dental education.

EDUCATION AND TRAINING

Bachelor in Dental Surgery (BDS)

Bibi Aseefa Dental College [2017 – 2021]

Intermediate

Public School Hyderabad [2013 – 2015]
