HSC

- Intermediate Board Hyderabad
May 2009–April 2011

OBJECTIVE:

To work in a reputable healthcare organization where I can apply my clinical knowledge, compassion, and public service commitment to deliver quality patient care. I aim to contribute meaningfully to community health while continually advancing my medical skills in a dynamic, patient-focused environment.

WORK EXPERIENCE:

WOMEN MEDICAL OFFICER (WMO – BPS-17)

Health Department, Government of Sindh

Dec 2019–Present

Taluka Headquarters Hospital, Kashmore @ Kandhkot *Tenure: 6 months*

- Provided primary outpatient care, maternal health support, and general medical services in a rural setup, focusing on patient stabilization and referrals.

GOVERNMENT SHAH BHITTAI HOSPITAL, HYDERABAD

Department Dermatology ,

Tenure: 1 Year

- Diagnosed and treated a wide range of dermatological conditions; managed skin infections, allergies, and chronic skin disorders, working closely with specialists.

Medico-Legal Department ,

Tenure: 2 Year

- Handled medico-legal cases, documented injury reports, attended court summons, and collaborated with law enforcement while maintaining ethical standards and legal accuracy.

Accident & Emergency Department ,

Tenure: 6 Months

- Provided emergency care, triaged patients, assisted in trauma resuscitation, and ensured prompt stabilization of critical cases.

ENT Department ,

Tenure: 6 Months

- Assisted in diagnosis and treatment of ear, nose, and throat-related cases; supported minor procedures and post-operative care.

Department Pediatrics ,

Tenure: 1 Year

- Delivered pediatric care, including immunizations, growth monitoring, diagnosis, and treatment of childhood illnesses. Educated mothers on child health and nutrition.

AREAS OF INTEREST:

HONORARY MEDICAL OFFICER (Obs & Gynae Department)

Federal Hospital, Islamabad

May 2018–Dec 2019

- Assisted in antenatal, postnatal, and emergency obstetric care under supervision.
- Gained hands-on experience in labor room management, minor surgeries, and patient counseling.
- Worked voluntarily without a stipend, demonstrating dedication to clinical learning and patient care.

HOUSE JOB (Medical Internship)

***Fatima Jinnah Medical University
& Affiliated Hospitals, Lahore***

Jan 2018 – Jan 2019

- Rotated through key clinical departments, including medicine, psychiatry, surgery, and obstetrics & gynecology
- Developed practical experience in patient history-taking, ward rounds, case presentation, and treatment planning.
- Strengthened communication skills and multidisciplinary teamwork under supervision.

CAREER GOALS:

- To pursue specialization in gynecology, family medicine, or public health, focusing on improving maternal and child healthcare in rural communities.
- To contribute to public health initiatives, especially for women's awareness and preventive care.
- To serve as a medical leader in Sindh, ensuring that marginalized populations receive quality, accessible healthcare.
- To engage in continuous learning, training, and professional development to become a well-rounded physician.
- To support national healthcare goals through dedication, ethical practice, and service excellence.
