Personal Profile

A motivated and compassionate doctor with hands-on experience across internal medicine, surgery, neurology, ENT, and emergency care. Skilled in diagnosing, managing, and treating a wide range of acute and chronic conditions, with a special interest in cardiology and interventional innovations. I combine clinical competence with strong communication and teamwork skills, ensuring safe, patient-centred care. Passionate about contributing to healthcare improvement, particularly in resource-limited regions.

Education

United Medical and Dental College (UMDC), Karachi, Pakistan

M.B.B.S – 2015–2021 | c GPA 3.6

NCR – College of Emerging Technologies

Intermediate (Pre-Medical) – 2013–2015 | A+ Grade (BIEK)
